Gargoyles: Clan Building

Gargoyles: Clan Building is a collection reprinting the complete twelve issues of the Clan-Building story arc originally published by SLG.

Dynamite Entertainment launched a Kickstarter campaign on January 11th, 2024 to bring restored editions of the 1995 Marvel Comics *Gargoyles* comic, SLG's 2006 *Gargoyles: Clan Building* run, and SLG's 2007 *Gargoyles: Bad Guys - Redemption* run back into print after many years of being unavailable (and with old copies going for astronomical prices on the secondary market). Each volume was made available in a soft cover, hard cover, signed hard cover, and deluxe hard cover editions. The deluxe hard cover editions were also made available as a set in a premium box.

When the Kickstarter campaign ended on February 12th, 2024, 6,225 donors raised $925,001 for the three volumes. [1] In addition to its Kickstarter release in 2024, it is anticipated for general release on December 10th, 2025. [2] [3]
